

Treehaven HOA Board meeting: February 11, 2015

Present:

Jo Anne Pritza, President

Peggy Fisher, Secretary

1. December and January financials reviewed. We will ask Heritage Property Management if they can add a column for those Homeowners who want to pre pay their monthly dues. Also we want to discuss with them how to institute a late charge for monthly dues. We have never had one in the past.
2. We discussed not signing a renewal with T4 Tree Services at this time. If we need them we will call at that time. Heritage and T4 were notified of this today.
3. Casey's Sprinkling Services contract for 2015 was signed today by Jo Anne Pritza and Peggy Fisher.
4. Thompson's Landscaping Services contract was not signed today due to verbiage that needs to be changed. Jo Anne will check this out.
